

Regulations for registration and ordering the package purchase

At our site we offer you the services of participation packages purchasing for the XVII International Mine Surveying Congress (hereafter referred to as packages). Financial organizer of the Congress is PUBLIC ORGANIZATION «BAIKAL MINE SURVEYING SOCIETY OF THE IRKUTSK REGION»

For the avoidance of doubt (conflict situations) while purchasing the packages via the Internet we highly recommend you, **on a compulsory basis**, to familiarize yourself with the Regulations and particularities of package purchase ordering and the unused package refund requirements. The text is given below.

Pay special attention to the following!

- If you pay for the package via the Internet, the ordering must be processed in a proper way.
- Cancellation of an order (package purchasing) after you have performed payment procedures is not possible.
- The refund is carried out if the service has not been provided through the financial organizer's fault.
- Money for the unused package is not reimbursed.

Quotation (offer)

1. Regulations for ordering the package purchase via the site

To place an order for the package it is necessary to register at the site ism2019.com (to be a registered user) The registration procedures have to be performed

While ordering the purchase for the package you need to choose the option that you are interested in and click the "NEXT STEP", then follow the further instructions.

2. User data

The information about the cardholder is to comply with the data specified at the registration step.

In case of partial or total discrepancy of user personal data and personal data of the cardholder, the user is not allowed to pay for the orders (packages) at the ISM site ism2019.com.

3. Payment for orders

The payment for package orders is to be carried out only by the following bank cards: Visa, Visa Electron, МИР, MasterCard, MasterCard Electronic, Maestro. The payment by the bank card is performed after verification and confirmation of the order with the following redirection to the payment gateway of PC "Sberbank of Russia".

While making the payment you need to input the following bank card requisites: a name and a surname of a cardholder, its number and the validity period as well as three-digit code (CVV2 or CVC2). **If you need more information about the payment particularities using your bank card via the Internet you should, in the first place, consult your bank support division.**

If contentions questions about debiting or crediting of monetary resources to an account (bank card) arise you should address the bank which card you possess (you are the cardholder of this bank).

The security of payment procedures is provided by the usage of the software encryption Secure Socket Layer (SSL) on the bank side.

Payment particularities using Visa Electron and Maestro cards:

Make sure that your card has the CVV2 (CVC2) code, which is on the back side of the bank card.

Notification for the cardholders with the cards issued by foreign emitters:

According to the requirements of the International Payment Systems aiming at security upgrade while making payments there has been used the technology 3D Secure/Secure Code (special safety payments via the Internet technology). If your bank does not have the relevant certificate for the application of this technology, you may be refused to make the payment via the payment system.

4. Completion of an order purchase

After you have completed the payment procedures, the order form is generated where the details of the order are given.

The paid order gets into the personal order list which is kept in the user account profile.

5. Restrictions

The Portal administration has the right to ask any user to provide the documents proving a person's identity.

All users have to follow the legislation of the country of their citizenship.

6. The ticket and owing monetary resources refund

The refund of monetary resources is possible if the service has not been provided through the financial organizer's fault.

The unused package refund is impossible.

The order cancellation and monetary resources refund are possible if the service has not been provided in whatever way.

The order cancellation after you have made payment procedures and monetary resources refund to the bank card are not performed.
